

Kgalagadi wilderness experience

Where the red dunes and scrub fade into infinity and herds of gemsbok, springbok, eland and blue wildebeest follow the seasons, where imposing camel thorn trees provide shade for huge black-maned lions and vantage points for leopard and many raptors...this is the Kgalagadi Transfrontier Park (KTP). Red sand dunes, sparse vegetation and the dry riverbeds of the Nossob and Auob show antelope and predator species off at a premium and provide excellent sightings of raptors and other special birds.

The Honorary Rangers (HRs) are a collection of dedicated volunteers who contribute to environmental conservation, through SANParks, in their private capacity. The HR's contribute by raising funds, creating vital public awareness and supply much needed manpower and equipment to supplement various conservation, research and environmental education needs within SANParks.

wilderness experience 1:

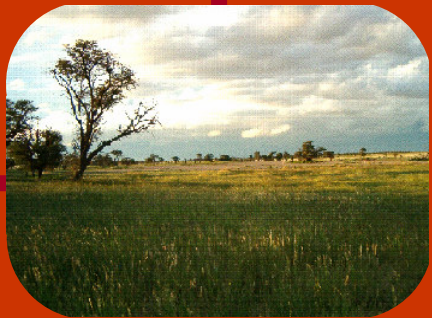

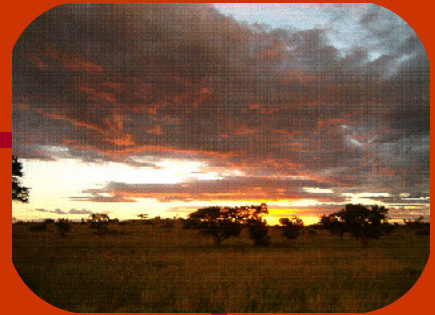

dune 4 x 4 adventure
