NARINA BUSHCAMP
is situated at the foot of the Zuurberg Mountains, providing a secluded and rural forest gateway on the banks of a mountain stream. The bushcamp is about 40 minutes drive away from Addo Main camp on the road. There are no elephants or other large wildlife species in this area, but the area is prolific in birdlife and smaller animals. The bushcamp is laid out as one unit and has 4 tents with 2 single beds. There is a thatched kitchen and ablution block, no electricity.

SPREEOOM TENTED CAMP
Is located inside the wildlife area in the Spreecom field, 12 km from Addo Main Camp. Set up-dine and sleep with nature and experience the sounds of Addo after dark. There is a view of the wilderness from the site. This camp has a central kitchen, but private ablution facilities and camp kitchen (gas stove and sink). Utility box with cooking utensils provided to guests.

CAMP MATHYLOVEL
Is accessible through Mathylovel Gate, just 3km off the N2 highway near Colchester Village. Spreecom Bush Mouth
Cottages - sleep 2 people, with cooking facilities.
Family cottages - sleep 3 people each in one room with twin bed and single sleeper couch.

ADD Elephant National Park
Home to the "BIG 7"

Situated in the malaria-free Eastern Cape Province, conveniently located only 46 kilometers from Port Elizabeth, the Park is a key tourist destination linked to the famous Garden Route. The Park is a sanctuary to a multitude of wildlife species and abundant birdlife, including 506 Elephant, Lion, Black Rhino, Cape Buffalo, Leopard, Spotted Hyena, a variety of antelope species, as well as the unique Addo Elephant Dung Beetle. The Great White Shark and seasonal Southern Right Whale complete the "BIG 7," in the Park's marine area.

ACTIVITIES
- Game Viewing: The main viewing area at Addo Main Camp offers some of the best elephant viewing in South Africa and a chance to spot the Big Five. The Park has a rich variety of fynbos with over 420 species across the expanded Park, while 170 species can be found in the indigenous fynbos. Addo is the only place in South Africa where one can explore the main game viewing area to enjoy many species of wild animals roaming freely in their natural habitat.
- Guided Game Drives: Take a 3-hour guided game drive in an open safari vehicle with a professional guide. Sunrise, day, sunset, and night drives are on offer. High-On-Guides: High-On-Guides provide a guiding service in the comfort of your own vehicle.

ADD Guided Horse Trails
Discover the Park on horseback in the Big 5 Nyathi area or a botanical horseback ride through the indigenous forest. Addo offers the only guided horseback rides in the Eastern Cape. Horseback trails are available on a 1-hour to 3-hour trail ride.

Bedrockview 4x4 Trail
Travel the rugged, scenic 4x4 trail in your own 4x4 vehicle between Knysna and Plettenberg Bay, with a stop at the Addo Elephant National Park accommodation at Knysna (sleeps 4) and Babylonstoren (sleeps 4). This trail offers a unique way to explore the coasts and forests of the Garden Route.

Hiking Trails
- Tamarisk Hiking Trail: 30km long trail through the coastal forest. The trail begins at Tamarisk and ends at the Casuarina Forest. The trail is well-marked and provides stunning views of the ocean.
- Wild Coast Trails: Access to the coastal area of the Park is either at Sundays River Mouth or at the Addo Elephant National Park. The trail is well-marked and provides stunning views of the ocean.

ADD MAIN CAMP
Is situated on the R335 / R42 between Addo town and Port Elizabeth and is the main hub of the Park with a wide variety of accommodation, facilities, and activities on offer.
