Dismantling apartheid’s legacies of exclusion

The National Empowerment Fund is positioned as a critical agent of BEE. The fund’s CEO, Pholisiwe Mthethwa, shares her thoughts on economic transformation.

 INVITATION TO ATTEND A WORKSHOP ON THE ENERGY REGULATOR’S REVISED STORAGe AND LOADING FACILITIES TARIFF METHODOLOGY FOR THE PETROLEUM INDUSTRY

The Energy Regulator has amended the Petrol Industry Tariff Methodology on Storage and Loading Facilities. The Regulator states in its report that it has received a number of requests for feedback on the amendments to the methodology. The amendments were published in Government Notice N498 of 30 September 2015.

A summary of the draft amendments and the reasons for the proposed amendments is available on the Energy Regulator’s website. Interested stakeholders are encouraged to submit their comments on the proposed amendments by 1 November 2015.

GET OFF THE HAMSTER WHEEL. Act now and engage with the experts on the Energy Regulator’s revised methodology.

REF: 400 KAGTRUST14.09.15

KAGISO TRUST

30 years of development and success

For the next 30 years, development will remain the cornerstone of our work. Our vision is to expand and deepen our development impact through greater geographic coverage, new partners and a wider sector approach. Three single programme peers are already working together to launch many more development programmes in the future.

Over the past 30 years, Kagiso Trust has channelled almost R2 billion into key programmes.

Spend highlights for current programmes

- Over R100 million into Bopape Senior Secondary School Development Programme (Basic Education)
- R16.2 million into Dr. Mokola Scholarship Programme (Higher Education)
- Over R50 million into Kagiso Enterprises (Private Equity Fund (Enterprise development)

30 years of development and success
