Objectives:
1. To reveal hidden aspects of the history of Tokai-Cecilia and to correct misrepresentations in the TCMF 2009
2. To contribute to the identification of cultural heritage markers
3. To evaluate and address heritage issues raised by stakeholders (2021) and weigh them up against the history of Tokai-Cecilia
4. To provide the parameters for heritage by investigating several Acts and departmental directives
Tokai Cecilia Management Framework Review 2021
Stakeholder Submission on History and Cultural Heritage

Actions:
1. To remedy shortcomings in current and newly identified cultural heritage markers
2. To establish a SETA Governmental support school teaching the conservation of nature and culture
3. To promote public education, tourism and inclusivity by maintaining a presence at heritage sites
4. To establish and promote a specialized, SANParks-supported Heritage Volunteer Group

A full understanding of the area's history is needed to implement the above actions and suggested plans
