How to raise your hand

Option 2: Under Participants
Once you have raised your hand, you should see a blue or yellow hand next to your name in the participant list.

When it is your turn to speak, the host will call on you and a message will appear on your screen – click on the blue Unmute or Unmute myself button that appears.
Should participants experience any difficulties (e.g. they cannot hear or raise their hand), they will be able to send a message to either Nicola van Wilgen or Chad Cheney, who will assist them in trouble-shooting.
