N'WASWITSHAKA RESEARCH CAMP

A. Accommodation: Three different types of accommodation are available at the Nwaswitshaka research camp. These are described below. All bedrooms have single beds & ceiling fans and all windows are fitted with mosquito nets. We ask that guests please wash their own dishes daily. Sponges, dish cloths & dishwashing liquid are provided.

1. **Rondawels (sleep 2–3 people):** One bedroom thatched rondawel with en suite bathroom (toilet, basin & shower); small separate sitting area; fully-equipped kitchen including 2-plate stove & small fridge/freezer combo. All rondawels have air-conditioners.

2. **Chalets (sleep 3-5 people):** Two bedroom units, each sleeping a maximum of two people; bathroom with shower, toilet & basin; separate lounge/dining area; fully equipped kitchen including a stove & oven & a fridge/freezer unit. Air-conditioners are present in only one of the bedrooms in each chalet.

3. **Camping (4 sites):** Four camping sites are available at the Nwaswitshaka research camp. There are ablution facilities and a communal kitchen area with a fridge/freezer unit and two 2-plate stoves.

   Campers need to supply their own kitchenware. These sites are supplied with electricity.

B. Office Facility & Internet Access (for researchers ONLY): An office area is available to researchers at the Scientific Services Department. An ADSL line that serves both the office and the research camp is also available. In order to connect to the ADSL line, please contact Patricia Khoza during office hours (patricia.khoza@sanparks.org or 0137354235) for the web key. Cell phone reception is available in and around Skukuza. There is also a public telephone at the Skukuza Rest Camp.

C. General:

- Linen & towels are provided in the research camp. If you require additional or clean towels please contact Patricia Khoza during office hours (07h00 – 16h00) on 013 7354235.
- Laundry facilities are available at the research camp, but please supply your own automatic washing powder. There is a top-loader coin-operated washing machine & a coin-operated tumble dryer.
- Braai facilities are available throughout the camp. Please supply your own charcoal. There is a shop in the Rest Camp which carries curios & essential supplies. In addition fresh produce, fire-wood, charcoal, lighters & matches are available. There are also 2 restaurants at the Rest Camp, open daily from 07h00-21h00. They serve breakfast, lunch & dinner. If you would like to eat at the restaurant please make use of your late permit, which is issued by Patricia Khoza & available upon arrival in your unit.

D. Making a Reservation: Please contact your project coordinator or Patricia Khoza via email or telephone to make a reservation during office hours (patricia.khoza@sanparks.org). Please supply the following information when making a reservation:

   i. Project reference number
   ii. Client code or your full ID or passport number
   iii. Contact telephone number or email address
   iv. Date of arrival & departure
   v. Number of guests

E. Cost: Rondawels & chalets R100 p.p.p.n & camp sites R60 p.p.p.n. Conservation fees are not charged for research accommodation, but a 1% community levy will be charged as per SANParks policy.

F. On arrival: Please report to the Skukuza rest camp reception with your booking confirmation letter to check in & pay. The receptionist will give you the keys. A map to the research camp is provided below.

G. Game guards (for researchers ONLY): Should you require the services of our game guards please contact Adolf Manganyi 2-3 weeks in advance (adolf.manganyi@sanparks.org or 013 735 4253). Further details are provided on website: http://www.sanparks.org/conservation/scientific/research-enabling/logistical-support.php.
