South African National Parks (SANParks) is a public entity functioning under National Environmental Management: Protected Areas Act 57 of 2003 (Act 57 of 2003); with the mandate to conserve; protect; control; and manage national parks and other defined protected areas and their biological diversity (Biodiversity). As a public entity, SANParks is also governed by the Public Finance Management Act, Act 1 of 1999 (as amended by Act 29 of 1999), and it is listed as Schedule 3 Part A: 25 public entities.

SANParks’ operations are totally guided by its vision statement and mission statement. As a public entity, the organisation is committed to act in pursuance of transformation of South Africa’s society in support of entrenching South Africa’s democracy. In this regard, the organisation has adopted a transformation mission to guide its efforts accordingly.

The Tourism department is mandated with the responsibility to generate tourism income in order to sustain conservation. This is executed among others through a destination marketing strategy wherein commercial events are used to draw tourism to national parks with low occupancy levels. The SANParks Tourism Growth Plan 2016 and the SANParks Tourism Revenue Growth Strategy was designed to drive the growth of the following metrics which serve as key performance indicators in the organizational Annual Performance Plan (APP):

a) Gross Tourism Revenue
b) Number of Visitors to the national park network
c) Number of Black South African Visitors
d) Number of Black South African Overnight Visitors
e) Unit Occupancy
f) Unit Nights Sold

The allure of conserved areas to both international and domestic tourists is immense, evidenced by the six million people who visit our parks annually, many of whom are repeat visitors. In the past decade and a half, our partnerships with various private sector entities have been pivotal in enhancing the experience of tourists who visit our parks. It is through these partnerships that we have been able to provide an array of facilities that are vital to an enriched tourist experience.
These include franchised restaurants, five-star lodges, retail and a wide array of adventure activities such as ziplining. At our investment summit, showcase to the private sector investor, new business opportunities within our parks. The opportunities detailed within the Tourism Investment brochure will showcase what we deem to be viable business opportunities, chosen strategically with the aim of filling major product gaps to widen the appeal of the parks to new markets while ensuring that the principal drawcards to our parks are not diluted and continue to hold appeal for our loyal traditional markets.
