NOTICE OF CANCELLATIONS OF TWO TENDERS

Notice is hereby given to all prospective service providers/bidders/tenderers that the following tenders have been cancelled:

**SP-GG-161: Construction of Dinosaur Interpretive Centre and Associated Infrastructure in Golden Gate Highlands National Park**

AND

**GNP-013-16: Rental of Earth Moving Equipment (yellow metal) for SANParks for a period of five (05) years**

The above tenders were issued in 2016 and SANParks has determined that after receipt of the proposals and careful deliberation, it would be in its best interest to WITHDRAW AND RE-ADVERTISE the above bids.

In this case, SANParks is revisiting the gaps where more work will be done by the professional team to refine and finalize the scope of work and then call for new submissions in due course.

South African National Parks would like to apologize to all bidders who had shown their interest in these bids, for any inconvenience this may have caused.

For any further information, kindly contact the Supply Chain Management Unit at (012) 426 5260.

Yours sincerely,
