

West Coast National Park **Commercial Operators Notice**

In terms of our legislation: The National Environmental Management: Protected Areas Act (57/2003) GG 28181, GNR 1061, Part 5. Activities that may be carried out in terms of Section 50: Regulations 20 (1) A person may not undertake any of the following activities in a special nature reserve, national park or world heritage site except pursuant to a license, permit or agreement and subject to the payment of the appropriate fees between that person, or some other person, and the management authority:

- (a) the filming and simultaneous transmitting of photographic images by the use of a web cam or other image recording or transmitting device
- (b) the conducting of tours
- (c) the conducting or any kind of competition
- (d) the selling or hiring goods or offering goods for sale or hire; or
- (e) the provision of, or offering to provide, any service for a fee or reward; or
- (f) the conducting of speed trials; or
- (g) the conducting of research
- (h) an activity of any kind for the purpose of fund raising, personal gain or making a profit
- (i) any organized or special event, including sporting or cultural events:
or
- (j) visual imaging of animals for purposes of any virtual hunting or other such activity

Please be informed that you need to register your commercial activity (ies) with the Permitting Officer at West Coast National Park with immediate effect.

For enquiries please contact the Permitting Officer (Ashrell Olifant at Tourism Office) at West Coast National Park at 022 7722 144 or go on our website http://www.sanparks.org/parks/west_coast/ for more details.
