

ASSOCIATION OF HERITAGE ASSESSMENT PRACTITIONERS - ACCREDITED MEMBERS: AS AT AUGUST 2007

The distinction between Generalist and Specialist categories relates to different scales of expertise and responsibility within the field of heritage assessment.

Generalist Member: a heritage assessor who has broad experience and will take overall responsibility for comprehensive assessments.

Specialist Member: a heritage assessor who is an expert in and will be responsible for a narrow or specialist part of assessments.

Associate Member: people who are active in the field of heritage assessment but do not qualify as either of the above; also practitioners or students who are in the process of obtaining the necessary academic qualifications or relevant experience for Specialist or Generalist membership.
