Directions from Addo Main Camp to Kabouga:

- Exit the main camp gate and turn left. Follow the R335 towards the town of Addo.

- Before entering the town of Addo, turn off onto the R336 towards Kirkwood. Follow this road until you reach the town of Kirkwood at a four-way intersection. Carry on straight through the intersection (you would turn left for the Main Street of Kirkwood) and travel over a small bridge.

- Turn right after the bridge at the T-junction and follow the road, which becomes gravel past a township and graveyard, until you see the signage to the Kabouga office to the right.

- The trip will take about one hour.
