SANParks shall act reasonably in rejecting the Remedial Programme and shall give reasons for its decision. Where SANParks notifies the Private Party that it does not accept the Remedial Programme, the Parties shall endeavour within the following 5 (five) Business Days to agree any necessary amendments to the Remedial Programme put forward. In the absence of agreement within 5 (five) Business Days, the question of whether the Remedial Programme (as the same may have been amended by agreement) will remedy the Private Party Default in a reasonable manner and within a reasonable time period.

27.3.2 If -

27.4.1 The Private Party shall reimburse SANParks with all costs incurred by SANParks in exercising any of its rights in terms of this Clause 27 (including, without limitation, any relevant increased administrative expenses and attorney and own client costs, where applicable).

In respect of such applications, each of the Parties specifically submits itself to and consents to the exclusive jurisdiction of the High Court of South Africa, Gauteng Division, Pretoria.

31.4 Performance to Continue

No reference of any dispute to any resolution process in terms of this clause
shall relieve either Party from any liability for the due and punctual performance of its obligations under this PPP Agreement, including the payment of any monies due hereunder.

32. **CHANGES IN CONTROL**

For the duration of the Project Term, the Private Party shall procure that there is no Change in Control in the Private Party (or in any company of which the Private Party is a subsidiary) without the prior written approval of SANParks, which approval shall not be unreasonably withheld, provided that no Change in Control may breach the provisions of Schedule 5 in any way.

33. **CESSION, TRANSFER AND SUBSTITUTED ENTITY**

33.1 **Transfer by the Private Party**

The Private Party may not, without the prior written consent of SANParks, cede, delegate, assign, encumber or transfer:

33.2 Subject to the provisions of Clause 33.1, the Private Party may cede, delegate, assign, encumber or transfer the operation of the whole or a part of the Phabeni Education Centre, provided that:

33.3 Substitute Entity

33.3.1 Upon the occurrence of an event in Clause 27 entitling SANParks to terminate this PPP Agreement, and upon the expiry of the remedy period (in the event a remedy period is provided), or, where no remedy period is provided, upon the occurrence of such event, SANParks shall have the right, subject to the PFMA, to appoint a substitute entity, that the substitute entity nominated by SANParks-

33.3.1.1 is legally and validly constituted and has the capability to enter into such agreements as may be reasonably required to give effect to the substitution; and

33.3.1.2 has the financial and technical capability sufficient to perform and assume the obligations of the Private Party under the PPP Agreement.

33.3.2 The Private Party shall reimburse SANParks with all costs incurred by SANParks in exercising any of its rights in terms of this Clause 33.3 (including, without limitation, any relevant increased administrative expenses and attorney and own client costs, where applicable).

33.3.3 The rights of SANParks under this Clause are in addition (and without prejudice) to any other right which SANParks may have in law to claim the amount of loss or damages suffered by SANParks on account of the acts or omissions of the Private Party.

33.4 Disposal of Shares

33.4.1 SANParks will, notwithstanding the provisions of Clause 33, approve any sale of shares or other beneficial interest in the Private Party and permit that the
Shareholders or beneficiaries sell any such shares or beneficial interest where such change does not bring about a Change in Control and provided that:

33.4.1.1 the Private Party informs SANParks of its intention to sell or permit the sale of such shares or beneficial interest at least 30 (thirty) Business Days before such sale is scheduled to take place;

33.4.1.2 the sale of such shares or beneficial interest does not alter the financial, BEE and technical capability of the Private Party to perform and assume the obligations of the Private Party in terms hereof; and

33.4.1.3 SANParks cannot reasonably object to the sale for any reason.

34. INTELLECTUAL PROPERTY OF SANPARKS

34.1 All intellectual property rights whatsoever, whether capable of registration or not, regarding SANParks’ name, trademarks, logos, image and all other intellectual property matters relating to SANParks, including its name, trademarks, logos and/or image shall remain the sole property of SANParks.

34.2 Subject to Clauses 34.1 and Clause 34.3, SANParks shall, on prior written application by the Private Party and only to the extent necessary for the Private Party to perform the Project Deliverables, grant a non-exclusive revocable right and licence to the Private Party to use SANParks’ trademarks and logos for a period not to exceed the remainder of the Project Term.

34.3 In order to establish and maintain standards of quality and propriety acceptable to SANParks, in the event that the Private Party desires to use SANParks’ trademarks or logos in any way, the Private Party shall first submit the concept or a sample of the proposed use to SANParks for approval, which shall be in its sole and absolute discretion. SANParks shall use reasonable endeavours to advise the Private Party of its approval or disapproval of the concept or sample within 20 (twenty) Business Days of its receipt of the concept or sample. If SANParks approves the concept or sample, the Private Party shall not depart therefrom in any respect without SANParks’ further prior written approval.
34.4 If at any time SANParks revokes its approval for the specified use of any trademark or logo, the Private Party shall forthwith discontinue all use of such trademark or logo and shall remove from public sale or distribution any previously approved product in respect of which SANParks has revoked its approval. The costs incurred by the Private Party as a result of such revocation shall be borne by the Private Party if the grounds for the revocation include any ground described in Clause 34.5.

34.5 SANParks may revoke its approval immediately upon 10 (ten) Business Days written notice to the Private Party if the Private Party, any Subcontractor or any of its or its Subcontractors’ officers, directors or employees commits any crime or otherwise engages in conduct which violates any law, or engages in any conduct that offends against public morals and decency and, in SANParks’ reasonable opinion, materially prejudices the reputation and public goodwill of SANParks.

34.6 The Private Party acknowledges that the name(s) of SANParks (the “Protected Names”) are associated with and peculiar to SANParks and are the Intellectual Property of SANParks. Consequently, the Private Party agrees that the sole and exclusive ownership of the Protected Names shall vest in SANParks.

34.7 In circumstances where the Private Party utilises any of the Protected Names, either on its own or in combination or association with any other name, it does so only in terms of this PPP Agreement and with the prior approval of SANParks. On termination or expiry of this PPP Agreement, the Private Party shall not be entitled to operate or conduct any business using any of the Protected Names either on its own or in combination or association with any other name.

34.8 Within 60 (sixty) Business Days after the Expiry Date or the Compensation Date and where the Private Party has operated a company utilising any of the Protected Names with the permission of SANParks, the Private Party shall either:

34.8.2 change the name to a name not substantially similar to any of the Protected
34.9 The naming of the Private Party’s business operation shall be undertaken in consultation with SANParks and subject to SANParks’ approval. In circumstances where the name chosen by the Private Party and approved by SANParks is not part of SANParks’ intellectual property, then the rights of SANParks contemplated in this Clause 34 shall not be applicable and the intellectual property shall be the sole property of the Private Party.

34.10 SANParks may at its discretion allow its own name, logo and or other branding on the stationery of the Private Party, at cost to the Private Party. The Private Party may not use SANParks name, logo or other branding without written consent from SANParks for any reason whatsoever.

34.11 SANParks reserves the right to disallow the Private Party to apply its own name, logos or other branding to the Phabeni Education Centre in any manner, or otherwise to stipulate the placement and size of such names, logos or other branding. If so allowed by SANParks, the name, logo or other branding of the Private Party shall not conceal, obstruct, compete with the name or logo of SANParks, or be contrary to the professional image of SANParks at any time or in any manner. Any such branding of the Private Party shall be at cost to the Private Party.

Those licences
shall be capable of being freely transferred by SANParks to third parties at no cost, for the Permitted Purposes, but to no other parties without the prior written consent of the Private Party.

35.2 In the event that any Intellectual Property is not owned by the Private Party but was specifically developed for the Project, whether or not it is Licensed Intellectual Property, the Private Party shall ensure that it is at all times after the Operation Commencement Date entitled to –

35.2.1 grant to SANParks a non-exclusive licence, on terms no less favourable than those applicable to the Private Party, to use that Intellectual Property for the Permitted Purposes. Those licences shall be capable of being further transferred by SANParks to third parties at no cost, for the Permitted Purposes; or

35.2.2 assign all of its rights in and to that Intellectual Property to SANParks on the basis that those rights shall be capable of being further assigned to third parties for the Permitted Purposes.

35.3 In the event that any Licensed Intellectual Property is not owned by the Private Party but is specifically required in order to operate any of the Transferable Licensed Intellectual Property for the Permitted Purposes, the Private Party shall, upon termination of this PPP Agreement in accordance with its terms after the Operation Commencement Date, procure that a license for such Licensed Intellectual Property is issued in the name of SANParks for a period equal to the difference between the Termination Date and the Expiry Date had this Agreement not terminated early, provided that the Private Party shall not be required to procure same where this PPP Agreement terminates on the Expiry Date.

35.4 In the event that the Private Party uses any Intellectual Property owned by any third party in the Project, other than Intellectual Property which is the subject of Clause 35.1, the Private Party shall prior to using any such Intellectual Property ensure the consent of the relevant owner in order to ensure that the Private Party is at all times after the Operation Commencement Date entitled to –

35.4.1 grant to SANParks a non-exclusive licence, on terms no less favourable than those applicable to the Private Party, to use that Intellectual Property for the
Permitted Purposes, which licences shall be capable of being further transferred by SANParks to third parties at no cost, for the Permitted Purposes; or

35.4.2 assign all of the Private Party’s rights in and to such Intellectual Property to SANParks, on the basis that those rights shall be capable of being further assigned by SANParks to third parties at no cost, for the Permitted Purposes.

35.5 If the owner of Intellectual Property contemplated in Clause 35.3 withholds or denies such consent, the Private Party shall not use any such Intellectual Property for the Project without the prior written approval of SANParks.

35.6 The Private Party indemnifies SANParks against any liability or costs which SANParks suffers or incurs as a result of the infringement of any third party rights arising from the use by SANParks, any Responsible Authority, or any third party who is licensed to use any Intellectual Property for the Permitted Purposes, or to whom any rights in respect of the Intellectual Property are assigned for the Permitted Purposes, in accordance with the provisions of that licence or assignment, save to the extent that such liability or cost was occasioned by any intentional act or omission by an indemnified party in question, or by its gross negligence.

38.2 Any relaxation or delay (together “Relaxation”) by either Party in exercising, or any failure by either Party to exercise, any right under this PPP Agreement shall not be construed as a waiver of that right and shall not affect the ability of that Party subsequently to exercise that right or to pursue any remedy, nor shall any Relaxation constitute a waiver of any other right (whether against that Party or any other person).

38.3 The waiver of any right under this PPP Agreement shall be binding on the waiving Party only to the extent that the waiver has been reduced to writing and signed by the duly authorised representative(s) of the waiving Party.
38.4 The expiry or termination of this PPP Agreement shall not prejudice the rights of any Party in respect of any antecedent breach or non-performance of or in terms of this PPP Agreement.

39. **SEVERABILITY**

Whenever possible, each provision of this PPP Agreement shall be interpreted in a manner which makes it effective and valid under applicable Law, but if any provision of this PPP Agreement is held to be illegal, invalid or unenforceable under applicable law, that illegality, invalidity or unenforceability shall not affect the other provisions of this PPP Agreement, all of which shall remain in full force.

49.3 **Private Party PPP Fee Offer**
50. **SCHEDULE 7 – ENVIRONMENTAL SPECIFICATIONS FOR THE OPERATION OF PHABENI EDUCATION CENTRE WITHIN THE PROTECTED AREAS**

50.1 **Introduction**

50.1.1 This is an undertaking by the Private Party to conduct, manage and carry out the Project at all times in an Environmentally responsible way by adopting appropriate operating methods and practices for conducting such a Project in a proclaimed National Park.

50.1.2 The Private Party undertakes to take all reasonable steps in conducting of the Project to prevent and limit the occurrence of any Environmental or health hazards and to ensure the health and safety of the Private Parties and the general public.

50.2 **Legislative Basis for these Guidelines**

SANParks is bound by a number of statutes with relevance to environmental management of Parks, including (without limitation) the National Environmental Management: Protected Areas Act, 2003 (Act No. 57 of 2003) (NEMPAA); the National Water Act 36 of 1998; the Water Services Act, 108 of 1997; the National Environmental Management Act, 107 of 1998 (NEMA); the National Environmental Management: Air Quality Act; the Hazardous Substances Act, 15 of 1973; and the National Heritage Resources Act.

Authorization of any development in a Protected Area is governed by the NEMA and the NEMPAA, and regulations. Any changes to infrastructure or operations require written approval from SANParks and are subject to the prescribed policies and procedures.

The process for upgrading or refurbishment of Phabeni Education Centre will be undertaken as per SANParks internal policies and procedures, and authorizations given by the Department of Environmental Affairs and Tourism where relevant and SANParks.

The EIA laws and Regulations do not specifically require an EIA for a development such as the refurbishment and/or expansion of a Phabeni
Education Centre. However, given that the development is taking place within a protected area such as a National Park, SANParks requires environmental scoping to be conducted on any proposal to expand or modify the existing Phabeni Education Centre or shop that is being bid for. Modifications include both structural changes to the facility and additions to the facility or its environs, including signage. The scoping report must be submitted to DEA, the “relevant environmental authority” as defined in the EIA Guideline documents.¹

Private Party proposing significant expansions or structural modifications should anticipate that an EIA will be required, and should factor the cost of carrying out the EIA into their financial projections.

SANParks will have a role in the EIA process, both as an Interested and Affected Party (IAP), and as the regulatory authority with jurisdiction over the Protected Area. It will be DEA’s responsibility to determine whether, on the basis of information provided in the scoping report, a detailed EIA needs to be carried out.

50.3 **Guidelines Based on SANParks Internal Requirements**

The EIA Regulations cover many of the issues that will arise during the assessment of developments within National Parks. In addition, SANParks undertook a review of its internal policies that may impact on such developments.

As a result, some of the Guidelines contained herein flow from internal SANParks management documents, such as the Kruger National Park Management Plan. In some instances, however, these documents were neither sufficiently comprehensive nor sufficiently detailed as to the allowable parameters for development by commercial operators. Where this occurred, SANParks undertook an internal effort to develop the necessary Guidelines.

A series of workshops were held with SANParks conservation staff, and specifically from KNP, who assisted in establishing standards to be applied to commercial tourism developments within the Parks. Draft standards were reviewed by a wide range of professionals within SANParks, including the

¹In the case of the SANParks, the ‘relevant environmental authority’ for review of EIAs conducted in National Parks is the national Department of Environmental Affairs and Tourism.
Manager, Environmental Management, and Park rangers and staff from Scientific Services, Conservation Services, Park Planning and Technical Services. The Guidelines contained herein are the result of these efforts.

The Environmental Guidelines set out and referred to in this document must be regarded as a first step in SANParks’ efforts to compile a comprehensive Environmental Management System (EMS) for the entire Parks. Once in place, the EMS will likely be modified and refined over time, as and when needed to take into account new information, standards and conditions. Private Parties must therefore be aware that the terms and conditions set forth in these Guidelines are subject to amendment. Private Parties will be expected to comply at all times with the provisions of the Environmental Guidelines as they may change from time to time.

The remainder of this document presents the specific standards or parameters that the Private Party will be expected to apply to activities in its Project Site.

50.4 **Precautionary Principle**

Ecological and natural resource processes are not always clearly understood, nor are the interactions among such processes. SANParks recognises that issues may arise suddenly, or circumstances change, due to limitations in current knowledge. SANParks has endeavoured to identify these limitations wherever possible, and to design the concession process in a way that minimises the environmental risk to the national assets under its control. However, situations may arise where changes which have not been anticipated may cause SANParks to require adaptations to the management of the area.

50.5 **Code of Conduct**

50.5.1 The Private Party undertakes to induct all staff employed on the Parks Code of Conduct.

50.5.2 The Private Party confirms that the Code of Conduct is understood and will be complied with.
