NOTICE OF ENVIRONMENTAL IMPACT ASSESSMENT PROCESS FOR THE PROPOSED DEVELOPMENT OF A HOTEL AT THE CONFLUENCE OF THE TMEANE AND CROCODILE RIVERS WITHIN THE KRUGER NATIONAL PARK (KNP) MALALANE - MPUMALANGA PROVINCE INVITATION TO PARTICIPATE

Notice is given in terms of Regulation 56 of the Environmental Impact Regulations published in Government Notice R385 in Government Gazette No. 28753 of 21 April 2006, under Section 24(5) of the National Environmental Management Act, 1998 (Act No. 107 of 1998), as amended, that the Cradle of Malalane (Pty) Ltd proposes to establish a 240 bed Hotel with associated uses such as a Conference Venue & Spa at the confluence of the Tmeane and Crocodile Rivers north east of the Malalane Gate within the KNP. The development proposal also entails the realignment of Rhenosterkopjes Road which currently traverses the proposed development area.

In terms of Sections 24 and 24(D) of the Act, as read with Government Notices R 385 (Regulations 27 - 36), R 386 and R 387 an Environmental Impact Assessment (EIA) is required for the following activities for which the Applicant is applying to the Department of Environmental Affairs and Tourism:

- (1)(a) The generation of electricity where the electricity output is more than 10 megawatts but less than 20 megawatts
- (1)(d) The construction of facilities or infrastructure, including associated structures or infrastructure, for resorts, lodges, hotels or other tourism and hospitality facilities in a protected area as contemplated in the National Environmental Management Act, 1998 (Act No. 107 of 1998)
- (1)(k) The bulk transportation of sewerage and water including stormwater in pipelines with (i) an internal diameter of 8,56 metres or more
- (1)(m) Any purpose in the one in the year flooding of a river or stream or within 32 metres from the bank of a river or stream where the flood or stream is unknown, excluding purposes associated with existing residential use, but including (i) canals; (ii) channels; (iii) bridges; (iv) dams; and (v) weirs
- (1)(n) The off stream storage of water, including dams and reservoirs, with a capacity of 50 000 cubic metres or more, unless such storage falls within the ambit of the activity listed in item 6 of Government Notice No R387 of 2006
- (1)(o) The transformation or removal of indigenous vegetation of 3 hectares or more or of any size where the transformation or removal will occur within a critically endangered ecosystem listed in terms of Section 52 of the National Environmental Management Biodiversity Act, 2004 (Act No. 10 of 2004)
- (1)(p) The abstraction of groundwater at a volume where any general authorization issued in terms of the National Water Act, 1998 (Act No. 36 of 1998) will be exceeded
- (1)(r) The construction of a road that is wider than 4 metres and that has a road reserve wider than 6 metres, excluding roads that fall within the ambit of another listed activity or which are access roads of less than 30 metres long
- (2) Any development activity, including associated structures and infrastructure, where the total area of the developed area is, or is intended to be 20 hectares or more
