South African National Parks: Addo Elephant, Agulhas, Augrabies, Bontebok, Camdeboo, Golden Gate Highlands, Kgalagadi Transfrontier, Garden Route (an amalgamation of Tsitsikamma, Knysna Lagoon and Indigenous Forests and the Wilderness Lake System), Karoo, Kruger, Mapungubwe, Marakele, Mokala, Mountain Zebra, Namaqua, Richtersveld, Table Mountain, Tankwa Karoo, West Coast.

This edition's featured park is the Kgalagadi Transfrontier Park:

- Kgalagadi Transfrontier Park (formerly Kalahari Gemsbok National Park) is located 265km north of Upington in the Northern Cape Province, nestled between Namibia and Botswana and just over 1000km from both Cape Town and Johannesburg, so while it is a long distance to get to the park, the wildlife, scenery and photographic opportunities in the park are world renowned and make the journey worthwhile.
- Travel in the park is mainly along the dry river beds of the Auob and Nossob Rivers, although there are some link roads through the dunes. 4x4 and high rise vehicles are recommended and a requirement on certain routes.
- The park is famed for its predators – lion, leopard, cheetah, brown and spotted hyena, a plethora of smaller mammal predators and a fantastic range of birds of prey.
- Other wildlife attractions include large herds of herbivores such as gemsbok, springbok, blue wildebeest, eland and red hartebeest, plus a small population of giraffe.
- There are 11 adapted accommodation units in the park accessible to guests with mobility challenges, all with roll-in showers (1x2-bed at Bitterpan, 1x2-bed at Grootkolk, 2x2-bed at Kalahari Tented Camp, 1x2-bed at Kieliekrankie, 1x4-bed at Mata Mata, 2x3-bed at Nossob, 2x3-bed and 1x4-bed at Twee Rivieren.)
- There are accessible camping ablutions at Nossob and Twee Rivieren.
- There are accessible public toilets for day visitors at Mata Mata, Twee Rivieren and Dikbaardskolk and Aughterlonie Picnic Sites.
- The predator centre at Nossob and the Info Centre at Twee Rivieren are both equipped with access ramps.
