South African National Parks: Addo Elephant, Agulhas, Au-grabies, Bontebok, Camdeboo, Golden Gate Highlands, Kgalagadi Transfrontier, Garden Route (an amalgamation of Tsitsikamma, Knysna Lagoon and Indigenous Forests and the Wilderness Lake System), Karoo, Kruger, Mapungubwe, Marakele, Mokala, Mountain Zebra, Namaqua, Richtersveld, Table Mountain, Tankwa Karoo, West Coast.

This edition's featured park is the central region of Kruger National Park: Satara and Tamboti Rest Camps

- The Central Region of Kruger is best accessed via the Orpen Gate (+500 km from Gauteng), although visitors may chose to enter the park at one of the southern gates and drive northwards through the park.
- This region of the park is exceptionally good for predator sightings with lion, leopard, cheetah, spotted hyena and wild dog all being regularly sighted alongside good numbers of general game.
- There are accessible ablutions at Orpen Camp/Entrance Gate and the reception block is ramped.
- There are no accessible accommodation units in Orpen Camp, but the nearby satellite camp Tamboti has 3 accessible units – one 2-bed and one 4-bed tent serviced by an accessible communal ablu-tion and one 3-bed tent with en suite ablutions (both with roll-in showers).
- Satara (the region's main camp) has 6 accessible bungalows all equipped with roll-in showers (2 with 2-beds and 4 with 3 beds), while there are two accessible ablu-tion cubicles in the campsite. The park's restaurant, shop and day-visitor area are all equipped with ramps.
- Visitor destinations in the region with accessible toilets are found at Timbavati, N'wanetsi and Tshokwane Picnic Sites, while the hides at Ratel Pan, Sweni and N'wanetsi Lookout Platform all have ramps and open viewing spaces to accommodate guests in wheelchairs.
