- A major accessible attraction in these areas of the park is the Boulders Beach and Penguin colony at Simonstown highlighted by an excellent wide boardwalk that allows visitors to get right down to the beach right in amongst the penguins. There are also wheelchairs for loan for elderly and frail guests to borrow, and a drop off zone for such visitors and those with their own chairs.
- At Cape Point wheelchair users will find a network of ramps enabling their passage and can catch a funicular up the hill. Unfortunately it doesn't go up to the top of the lighthouse but still enables people to get to the main viewing spots.
- There are accessible toilets at Cape Point, Buffelsfontein and Boulders.
