**Go to [www.sanparks.org](http://www.sanparks.org), then click on information for: People with Disabilities for comprehensive information and images on SANParks access**

**South African National Parks: Addo Elephant, Agulhas, Augrabies, Bontebok, Camdeboo, Golden Gate Highlands, Kgalagadi Transfrontier, Garden Route (an amalgamation of Tsitsikamma, Knysna Lagoon and Indigenous Forests and the Wilderness Lake System), Karoo, Kruger, Mapungubwe, Marakele, Mokala, Mountain Zebra, Namaqua, Richtersveld, Table Mountain, Tankwa Karoo, West Coast.**

## **This edition's featured park is the Tsitsikamma Section of Garden Route National Park**

- The Tsitsikamma Section of Garden Route National Park is located immediately south of the N2 at the provincial boundary between Western and Eastern Cape and features the Storm's River Rest Camp in the east and the Nature's Valley Rest Camp in the west.
- The park is renowned internationally for its incredible coastal and forest scenery.
- Whales and dolphins and an assortment of other coastal marine and tidal fauna and flora are perhaps the park's main attraction, but forest and fynbos species are also popular.
- The Storm's River Rest Camp has 2 2-person accessible chalets, and one 4-bed accessible Oceanette, and the campsite ablutions are equipped with accessible ablutions.
- The park's restaurant, overlooking the Storm's River Mouth, the shop, the reception building and the information hall are all equipped with ramps and there are accessible toilets at the main complex and the entrance gate.
- There is a boardwalk trail at Nature's Valley that allows access into the forest for wheelchair users and others with mobility challenges.
- There are some privately run accessible activities in the vicinity of the park. Of particular recommendation are Monkeyland (a rehabilitation sanctuary for primates) and Birds of Eden (The largest free flight aviary in the world), both of which are equipped with wheelchair compatible pathways and ablutions.
