# THE BIDDING SELECTION PROCESS

## Phase 1 – Compliance to minimum administrative documents

Bidders warrant that their proposal document has, as a minimum, the specified documents required for evaluating their proposals as set out in the Returnable Document List.

## Phase 2A – Compliance with pre-qualification requirements

In this phase bid responses are verified against the pre-qualifying requirements. Bidders who fail to comply with the requirements may not proceed to the next phase of evaluation.

## Phase 2B – Compliance with mandatory requirements

In this phase bid responses are verified against the set of mandatory requirements. Bidders who fail to comply with the requirements may not proceed to the next phase of evaluation.

## Phase 2C – Compliance with functionality requirements

1. Bidders making the minimum evaluation score (**75%**) will pass to the next stage of evaluation.
2. Bidders **MUST** provide materials that are one hundred percent (100%) locally manufactured.(Must submit and complete all documentation as directed by SBD6.2 and all relevant annexures).

## Phase 3 – Price/Preference Evaluation

Basis of competition and due diligence tests for reasonableness of price: SANParks compares each bidder's pricing proposal on an equal and fair comparison basis that is equitable to all bidders taking into account all aspects of the bids pricing requirements.

SANParks conducts fair market-related pricing tests to arrive at an opinion of reasonableness of the bid price offered.

Where these due diligence tests reflect defective pricing or pricing outside of the fair market-related price range, the evaluators will recommend price negotiation with the winning bidder to bring the price within the fair market-related price range as tested.

Where the winning bidder does not want to participate in the price negotiation or provide a fair market-related price, SANParks cancels the award and commences price negotiations with the second bidder in the price/preference ranking. Ranking of the bidders pricing:

SANParks ranks the qualifying bids on price and preference points claimed in the following manner:

**Price** – for bids qualifying for this stage, the lowest priced Bid receives the highest price score as set out in the Preferential Procurement Regulations of 2017;

**Preference** - for bids qualifying for this stage, addition of the claimed preference points in the preference claim form (SBD6.1) where supported by a valid BBBEE certification to the price ranking scores.

**Award recommendation:**

SANParks nominates the bidder with the highest combined score for the contract award subject to the bidder having supplied the relevant administrative documentation.

SANParks reserves the right not to award to the highest points scorer in accordance with S 2(1) (f) of the Act (PPPFA).

**Due Diligence Phase**

Where circumstances justifies it, SANParks reserves the right to conduct due diligence (interviews, presentations, site visits) with shortlisted bidders who meet the minimum qualifying score on the functionality phase evaluation criteria, whereby bidders will present further information or provide further proof to the evaluation committee. In these cases, SANParks may provide the areas of concern to the short listed bidders to address in their presentations. Bidders will be evaluated on the below criteria and bidders who meet the below requirements will progress to the next phase of evaluation of price and preference.

**BID PROCEDURE CONDITIONS:**

**Counter Conditions**

SANParks draws bidders' attention that amendments to any of the Bid Conditions or setting of counter conditions by bidders will result in the invalidation of such bids.

**Response Preparation Costs**

SANParks is NOT liable for any costs incurred by a bidder in the process of responding to this Bid Invitation, including on-site presentations.

**Cancellation Prior To Awarding**

SANParks reserves the right to withdraw and cancel the Bid Invitation prior to making an award. The cancellation grounds include insufficient funds, where the award price is outside of the objective determined fair market-related price range (in terms of the Preferential Procurement Regulations of 2017), or any process impropriety.

**Collusion, Fraud And Corruption**

Any effort by Bidder/s to influence evaluation, comparisons, or award decisions in any manner will result in the rejection and disqualification of the bidder concerned.

**Fronting**

SANParks, in ensuring that bidders conduct themselves in an honest manner will, as part of the bid evaluation processes where applicable, conduct or initiate the necessary enquiries/investigations to determine the accuracy of the representation made in the bid documents. Should SANParks establish any of the fronting indicators as contained in the Department of Trade and Industry's "Guidelines on Complex Structures and Transactions and Fronting" during such inquiry/investigation, the onus is on the bidder to prove that fronting does not exist? Failure to do so within a period of 7 days from date of notification will invalidate the bid/contract and may also result in the restriction of the bidder to conduct business with the public sector for a period not exceeding 10 years, in addition to any other remedies SANParks may have against the bidder concerned.

SANParks makes no representation, warranty, assurance, guarantee or endorsements to any provider/bidder concerning the document, whether with regard to its accuracy, completeness or otherwise and SANParks shall have no liability towards the responding service providers or any other party in connection therewith.

**ANNEXURE B: FUNCTIONALITY RESPONSIVENESS CRITERIA APPLICABLE FOR THIS BID**

**ANNEXURE A: FUNCTIONALITY RESPONSIVENESS CRITERIA APPLICABLE FOR THIS BID**

**Bidders are not eligible for the Price and Preference scoring stage where they score less than the minimum threshold [75%] prescribed for functionality.** SANParks promotes the concept of “best value” in the award of contracts, as opposed to merely looking for the cheapest price, which does not necessarily provide the best value. Best value incorporates the expertise, experience and technical proposal of the organisation and individuals who will be providing the service and the organisational capacity supporting the project team. The minimum functional threshold will be **75%**.

Any bidder who does not meet the minimum threshold will not proceed to the Price and Preference Stage of evaluation.
