Bidders making the minimum evaluation score will pass to the mandatory evaluation stage.

Phase 2 – Compliance with mandatory requirements

In this phase bid responses are verified against the set of mandatory requirements. Bidders who fail to comply with the requirements may not proceed to the next phase of evaluation, phase 3.

Basis of competition:

SANParks compares each bidder's pricing proposal on an equal and fair comparison basis that is equitable to all bidders taking into account all aspects of the bids pricing requirements.

SANParks conducts fair market-related pricing tests to arrive at an opinion of reasonableness of the bid price offered.

Due diligence tests for reasonableness of price:

SANParks conducts fair market-related pricing tests to arrive at an opinion of reasonableness of the bid price offered. Where these tests reflect defective pricing or pricing outside of the fair market-related price range, the evaluators will recommend price negotiation with the winning bidder to bring the price within the fair market-related price range as tested.

Where the winning bidder does not want to participate in the price negotiation or provide a fair market-related price, SANParks reserves the right to cancel the award and commences price negotiations with the second bidder.

Ranking of the bidders pricing:

SANParks ranks the qualifying bids on price in the following manner:

Price and preference – for bids qualifying for this stage, the bidder with the highest price and preference points will be selected in terms of PPPFA Circular No.01 of 2021-2022, where the formula for revenue generating projects will be used.

Award recommendation:

Due to the nature of the bid being for culling services and being an income generating bid, SANParks nominates the bidders on the highest price and preference points scored, in terms of PPPFA Circular No.01 of 2021-2022.
