

REQUEST FOR PROPOSALS (RFP)

**Cape Point Restaurant, Retail and Funicular PPP:
Tourism PPP Opportunity for a Bidder to operate and maintain the
Cape Point Restaurant, Retail and Funicular PPP within the Cape of
Good Hope Section of Table Mountain National Park**

IMPORTANT NOTICE

This Request for Proposals (“RFP”), incorporating all its attachments, has been produced by South African National Parks (“**SANParks**”) and, gives a selected private party the rights to the commercial use of the Cape Point with restaurant, retail shops (three (3)), and funicular offerings within the Cape of Good Hope Section of Table Mountain National Park. SANParks wishes to ensure that the Park is a world-class tourist facility.

The selected private party can be a concessionaire that may partner or subcontract the commercial opportunities. Dilution of rentals is not permitted and will affect the material breach of the PPP agreement resulting in termination, should the selected private party choose to subcontract the commercial opportunities. Thus, full disclosure will be required for financial reporting purposes.

No representation or warranty, express or implied, is made, or responsibility of any kind is or will be accepted, by South African National Parks, with respect to the accuracy and completeness of the RFP, and any liability in connection with the use by any interested party of the information contained in this RFP is hereby disclaimed.

The RFP is provided to the recipient to assist in making its own appraisal of the Public Private Partnership (“**PPP**”) opportunities presented herein and in deciding whether to submit a proposal in connection with the opportunity. However, this RFP is not intended to serve as the basis for an investment decision on the opportunity, and each recipient is expected to make such independent investigation and to obtain such independent advice, as he or she may deem necessary for such a decision.

South African National Parks may amend or replace any information contained in this RFP at any time, without giving any prior notice or providing any reason.

Should this RFP lead to the award of the PPP Projects, the award will only become binding after SANParks, and the Potential Bidder has signed the agreement.

General Information

1. INTRODUCTION

1.1 This Request for Proposals ("**RFP**") is issued by South African National Parks ("**SANParks**") in accordance with the guidelines for Public Private Partnerships ("**PPPs**") contained in National Treasury's Tourism PPP Toolkit and compliance with Treasury Regulation 16 issued in terms of the Public Finance Management Act 1999.

1.2 SANParks, as part of its Strategic Plan for Commercialisation, identified the tourism PPP opportunity for the Cape Point Restaurant, Retail, and Funicular PPP, through a public-private partnership agreement. The opportunity gives approval for a selected private party to be awarded the rights to the Cape Point Restaurant, three (3) Retail shops, and a Funicular PPP opportunity in Table Mountain National Park (TMNP): Cape of Good Hope Section for a period of forty (40) years through a public-private partnership agreement.

1.2.1 If the selected private party intends on subcontracting, dilution of rentals is not permitted and will affect the material breach of the PPP agreement resulting in termination, should the selected private party choose to subcontract the commercial opportunities. Thus, full disclosure will be required for financial reporting purposes i.e. the percentage of gross revenue payable by the subcontractor to the private party must not be less than the percentage of gross revenue payable (variable PPP fee) by the private party to SANParks.

1.2.2 It is intended that by SANParks entering into the PPP with a Private Party, SANParks may be able to generate additional revenue through PPP fees paid to SANParks by the Private Party, while enabling SANParks to focus on its core activity of conservation. It is intended that the Private Party in compliance with strict environmental standards maintained by SANParks will develop the project.

1.3 **Value-for-Money Objectives**

The value-for-money objectives for the project are aligned with SANParks' strategic objectives included in the Strategic Plan for Commercialisation. Setting these objectives at the inception phase is vital as they provide the benchmarks for the feasibility and procurement phases. During the management of the PPP agreement,

they are used to measure the success of the project.

The Value-for-Money Objectives for the project are:

- Tourism promotion;
- Job creation;
- Revenue generation for SANParks;
- Infrastructure upgrades;
- Loss minimisation or savings on existing operations; and
- Biodiversity protection and conservation.

2. GENERAL RULES OF THE TENDER

- 2.1 This RFP supersedes all other SANParks communication to Bidders about this PPP opportunity and the rules and conduct of the bid.
- 2.2 No verbal discussion with any staff or advisor of SANParks can change, add to or clarify any of the terms and conditions contained in this RFP. Bidders should only rely on written changes, additions, or clarifications from the duly authorised Project Officer of SANParks, circulated to each Bidder. E-mail communications from SANParks to Bidders will count as written communication.
- 2.3 SANParks reserves the right to modify the timetable in Article 5 or otherwise amend, supplement or clarify the RFP at any time. SANParks may cancel the bid at any time without prior notice and may disqualify any Bidder as provided for in this RFP. SANParks shall not incur any liability whatsoever in exercising any rights in this Article 2.3 or otherwise granted in this RFP or available under the laws of the Republic of South Africa.
- 2.4 The bid will be conducted in accordance with and shall be governed by the laws of the Republic of South Africa and this RFP.
- 2.5 Bids and all correspondence and documents relating to Bids shall be in the English language.
- 2.6 The submission of a Bid by a Bidder implies full knowledge and acceptance of, and submission to, all the terms and conditions set out in this RFP, the PPP Agreement, and under the applicable laws of the Republic of South Africa.

- 2.7 Bidders shall be responsible for any and all costs, expenses, and losses incurred by them in the preparation and submission of Bids or otherwise in connection with the Tender. SANParks will not compensate Bidders for any such costs, expenses, or losses, regardless of the outcome of the Tender.
- 2.8 The draft PPP Agreements will be included in the Tender Documents and will be ready for distribution in May 2022. SANParks reserves the right to modify or otherwise amend, supplement or clarify the PPP Agreements at any time. SANParks shall not incur any liability whatsoever in exercising any rights in this Article or otherwise granted in this RFP, PPP Agreements, or available under the laws of the Republic of South Africa.

Where any parties are not shareholders but will be integrally involved in the operation of the SPV, such parties should also be listed. It will be expected that the SPV is legally constituted prior to the Signature Date of the PPP Agreement.
- 3.4 Interested Parties will also be required to provide information on ownership of the entities of which the Interested Parties are comprised, together with organograms reflecting the ownership proportions.

- 3.7 SANParks reserves the right to request, at any time, additional information or documentation from Bidders.

- 10.3 Functionality elements will be evaluated and scored according to the procedure set out in Articles 11 to 14 below.

11. BID EVALUATION METHODOLOGY (FOLLOWING QUALIFICATION)

- 11.1 The three main elements of the bid and the two-Envelope system
 - 11.1.1 Bids will be evaluated on three main elements: Functionality, Bidder's existing B-BBEE rating, and the PPP Fee Offer.
 - 11.1.2 Envelope 1 is for the functionality and is opened first. Bidders must score at least 70% for functionality (Please note that functionality will contain a section that outlines the B-BBEE plans for the SPV and will be scored as part of functionality).
 - 11.1.3 Envelope 2 contains the Bidder's existing B-BBEE rating (verified by a B-BBEE certificate), as well as the PPP Fee Offer, and will only be opened and evaluated if the minimum threshold in Article 11.1.2 is met.

12. HOW B-BBEE IS EVALUATED

- 12.1 B-BBEE will be evaluated in two ways:
 - 12.1.1 In round one as part of Functionality in which the Private Party SPV will outline their plans through the Tourism B-BBEE scorecard with targets per sub section, as well as a section that undertakes that enterprise development initiatives will be identified and implemented.
 - 12.1.2 In round two (together with price) as per the PPPFA – only Bidders who passed the functionality threshold will be evaluated on their existing B-BBEE certificate.

13. SCORING FOR FUNCTIONALITY (ENVELOPE 1)

The functionality aspects of a bid will be scored out of 100 points. A Bidder must achieve 70% of the total functionality points in order to pass. Functionality is made up of the elements and weights as outlined in Table 1: Sub-functionality weightings.

13.1 Sub - functionality Weighting:

Elements	Financing and Capital Plan	Business and Operational Plan	Development, and Environmental Plan	Risk Matrix	B-BBEE Proposal
Weight	20%	40%	20%	10%	10%
Threshold	50%	50%	50%	50%	N/A

Table 1: Sub-functionality weightings

13.2 Financing and Capital Plan (20%)

13.2.1 A Bidder is expected to provide financing information in line with the requirements set out in Section 2 – Financing and Capital Plan.

13.2.2 The purpose of the Financing and Capital Plan is to assess the ability of the Bidder to secure adequate finance to implement the project and determine the capital investment proposed for the project. It will indicate how much capital will be needed, where it will come from (own capital, grants, loans), and the expected amount and terms (interest rate, repayment period, security) of any proposed loans, whether the necessary financing has been secured and appropriate proof.

13.3 Business and Operational Plan (40%)

13.3.1 A Bidder is expected to provide a business and operational plan in line with the requirements set out in Section 3 – Business and Operational Plan.

13.3.2 The purpose of the evaluation of the business and operational plans is to ensure that the Bidder has fully developed all business aspects of the proposed tourism project, and is proposing credible schemes which are based on

generally accepted business principles applicable to tourism projects, and which are in line with SANParks' specifications given in this RFP.

13.4 Development, Environmental and Design Plan (20%)

13.4.1 SANParks shall review and evaluate the Development, Environmental and Design plans submitted by Bidders in accordance with the specifications and information given in Development, Environmental, and Design Proposal.

13.4.2 The purpose of the evaluation of Development, Environmental and Design proposals is to ensure that Bidders understand and have fully planned for the prevailing environmental issues that apply to the investment area as well as the Environmental Guidelines and have factored those issues into their plans.

13.4.3 Approval by the evaluation committee of such plans will not be taken to mean that the individual details of the proposal can be implemented – in all cases, the proposal must go through the environmental and heritage authorisation process (Operator responsible for all environmental and heritage approvals and processes and cost associated - including all specialist studies).

13.4.4 Bidders will also be expected to provide a Conceptual and Design Plan in accordance with the provisions of Article 24.11.

13.5 Risk Matrix (10%)

13.5.1 A Bidder must indicate the extent to which the bid complies with the risk allocation of the risk matrix given in Section 5 – Risk Matrix.

13.6 B-BBEE Proposal (10%)

13.6.1 The Private Party SPV is expected to outline their B-BBEE plans through the Tourism B-BBEE scorecard with targets per sub section.

13.6.2 An accredited B-BBEE auditor will audit the targets set and the number of enterprises developed on an annual basis.

14. BIDDERS EXISTING B-BBEE RATING AND PPP FEE OFFER (ENVELOPE 2)

14.1 If the minimum threshold for functionality is met by the Bidders for each commercial opportunity, envelope 2 will be opened for that specific commercial opportunity.

14.1.1 The Preferential Procurement Policy Framework Act, 2000 (PPPFA) will apply with a 90/10 split between the PPP Fee Offer and the Bidder’s existing B-BBEE rating respectively.

14.1.2 The PPP Fee Offer and the Bidder’s existing B-BBEE rating are scored out of a total of 100 points.

14.1.3 The following table outlines the final score weightings for each commercial opportunity offered in this RFP:

Table 2: PPPFA score split

PPP Fee Offer	Bidder’s existing B-BBEE rating
90%	10%

14.2 Bidder’s existing B-BBEE rating

14.2.1 Bidders are required to submit their existing B-BBEE rating (verified by a B-BBEE certificate), in line with the requirements of the B-BBEE Codes of Good Practice (or amended Tourism B-BBEE Sector code for tourism enterprises):

14.2.1.1 For Large Enterprises, a SANAS Accredited B-BBEE certificate must be provided;

14.2.1.2 For Qualifying Small Enterprises with less than 51% black ownership, a SANAS Accredited B-BBEE certificate must be provided;

14.2.1.3 For Qualifying Small Enterprises with at least 51% black ownership, a sworn affidavit must be provided;

14.2.1.4 For Exempted Micro-Enterprises, a sworn affidavit or CIPC EME certificate must be provided.

14.2.2 For Bidders that are bidding as an unincorporated joint venture, a Joint Venture B-BBEE certificate must be submitted for evaluation of the Bidder’s existing B-BBEE rating.

14.2.3 The provisions of the Preferential Procurement Policy Framework Act, 2000 (“PPPFA”) will apply for the calculation of the score out of 10 for the Bidder’s existing B-BBEE rating, as per the following table:

Table 3: Score for Bidder’s existing B-BBEE rating

B-BBEE Status Level of Contributor	Number of Points
1	10
2	9
3	6
4	5
5	4
6	3
7	2
8	1
Non-compliant contributor	0

14.3 PPP Fee Offer

14.3.1 Under the PPP Agreement, the PPP fee income to SANParks shall be, as outlined in Section 7 – PPP Fee Offer, the higher of:

14.3.1.1 the Minimum PPP Fee is increased annually by CPI, or

14.3.1.2 the Variable PPP Fee is expressed as a flat percentage of the gross revenue of the operation.

14.3.2 Each PPP Fee Offer will be inspected by SANParks’ financial and legal advisors to verify that it has been submitted in the form corresponding to the requirements. A PPP Fee Offer that does not conform to the requirements may result in disqualification of the bid.

14.3.3 The points for the PPP Fee Offer are calculated using the prescribed price formula in the regulations to the PPPFA. The maximum points will be awarded to the qualified Bidder that makes the highest PPP Fee Offer and the remaining points being allocated pro rata to the remaining qualified Bidders. Bidders should be aware that a minimum PPP fee might be applied. If the minimum is not reached, the contract might not be awarded.

15. INCOMPLETE BIDS

- 15.1 The bid evaluation committee, in consultation with its financial and legal advisors, will check Envelope 1 of each bid to see whether all the documentation that this RFP requires has been submitted correctly.
- 15.2 If a bid is not complete or something in it is not clear, the bid evaluation committee may, but is not obliged to, ask Bidders for more information. Bidders will receive such requests for more information in writing. No substantial changes to the bid will be asked for or allowed, except if there is a clear mistake in the bid.
- 15.3 SANParks may, but is not obliged to, disqualify a bid that is not complete or requires clarification without a request for further information.
- 15.4 SANParks shall not be obliged to reimburse Bidders for any costs and/or damage they incurred during the preparation of Bid Submissions, in the event of cancellation, disqualification, suspension, modification, or delay of the Tender.

16. SELECTION OF PREFERRED BIDDER

- 16.1 The functionality score is only used to pre-qualify the Bidders and only Bidders who achieved the 70% for functionality are considered in the final stage where B-BBEE and the PPP fee offer will be the determining factor.
- 16.2 SANParks shall calculate the scores of each bid to calculate an overall bid score.
- 16.3 The following outlines how the overall score (for all qualified Bidders) will be determined:

$$a*(B-BBEE \text{ score}/100) + b*(PPP \text{ fee score}/100) = c$$

a is the weighting for B-BBEE as outlined in 14.1.3

b is the weighting for the PPP fee as outlined in 14.1.3

c is the Bidder's overall score

- 16.4 The Bidder that receives the highest overall bid score will be declared the preferred Bidder, and the Bidder that receives the second highest overall bid score will be declared the reserve Bidder.

16.5 The scores will be presented to the SANParks Bid Adjudication Committee (BAC) and the Board for ratification.

16.6 Once ratified, the preferred Bidder will be announced.

17. SIGNATURE AND EFFECTIVENESS OF PPP AGREEMENT

17.1 The Private Party will be sent a letter of award to notify them that they are the preferred bidder for the PPP opportunity. Subsequent to the receipt of this letter, the Private Party will have one month to clarify any outstanding issues regarding the PPP Agreement. Thereafter, SANParks will provide the Private Party with the final PPP Agreement, whereupon the Private Party will have two months from receipt of the final PPP Agreement to sign and submit it to SANParks to be countersigned. Failure to meet any of these timelines may result in cancellation of the award to the preferred bidder. In such a case, SANParks reserves the right to award the contract to the reserve bidder.

17.2 The PPP Agreement becomes legally binding and enforceable from the Signature Date. Only after completion of certain Compliance Events can operation commence.

17.3 There will be no PPP Fees payable before the Effective Date with Effective Date defined in the PPP Agreement.

18. BID BOND

18.1 At the time of submitting its Bid, each Bidder must submit a single Bid Bond (“**Bid Bond**”) payable to SANParks in the format prescribed in **ANNEXURE 2 - ACCEPTABLE WORDING OF BID AND DEVELOPMENT BOND**.

18.2 Bid Bonds should be, the amount of R 420 000 (Four hundred and Twenty Thousand Rand); exclusive of VAT;

18.3 The posting of the Bid Bond is for the purpose of ensuring that all Bidders present valid and serious bids and that the Winning Bidder subsequently executes the PPP Agreement.

Bidders should provide the following information, with supporting evidence wherever possible. Requirements for supporting evidence are described in Section 26.3.5.

26.1 SANParks will evaluate the Bidder's B-BBEE Proposal and will assess scores according to the methodology and weightings based on the *Amended Tourism B-BBEE Sector Code, 2015 Targets*.

26.1.1 Bidders that anticipate that the SPV will qualify as a Large Enterprise (SPV total annual revenue of R45 million or above), as defined by the *Amended Tourism B-BBEE Sector Code*, must complete the Large Enterprise Scorecard. Bidders that anticipate that the SPV will qualify as a Qualifying Small Enterprise ("QSE") (SPV total annual revenue of less than R45 million or above R5 million), as defined by the *Amended Tourism B-BBEE Sector Code*, must complete the QSE Scorecard.

Or;

26.1.2 Bidders that anticipate that the SPV will qualify as an Exempted Micro Enterprise ("EME") (SPV total annual revenue of R5 million or below), as defined by the *Amended Tourism B-BBEE Sector Code*, are not required to complete the B-BBEE scorecard. As part of the bid, the Bidder must confirm that the anticipated total annual revenue of the SPV will be R5 million or below, as well as confirm the percentage black ownership in the SPV. The following wording should be used by the Bidder:

"[Name of Bidder] hereby confirms that the total annual revenue anticipated for this PPP opportunity is R5 million or below, and will submit a sworn affidavit or certificate issued by the Companies and Intellectual Property Commission on an annual basis to confirm the total annual revenue of the SPV. In the case of total annual revenue exceeding R5 million, [Name of Bidder] will timeously notify SANParks and acknowledges that SANParks may require the SPV to complete the relevant B-BBEE Scorecard and meet the minimum threshold required by SANParks.

The SPV commits to [percentage]% black ownership, which will be maintained as a minimum throughout the duration of the PPP Agreement."

In terms of the B-BBEE Proposal, Bidders that anticipate that the SPV will

qualify as an EME, will score as follows:

Black Ownership	B-BBEE Level	B-BBEE Proposal Score
100% Black Owned	Level One	100%
At least 51% Black Owned	Level Two	95%
Less than 51% Black Owned	Level Four	80%

Where the SPV's annual revenue exceeds or falls short of the thresholds for a Large Enterprise, QSE or EME, SANParks may require the Private Party to submit a revised B-BBEE Proposal. In this case, a maximum transitional period of one year will be allowed for the SPV to achieve the new targets.

26.2 Commitments and Scoring

For Bidders anticipating that the SPV will qualify as a QSE or Large Enterprise, the relevant scorecard must be completed. The Bidder must make commitments in the 'bid offered' column and insert scores in the far right-hand column of the relevant B-BBEE scorecard below. If the percentage committed to by the Bidder is less than the target, then the score must be weighted accordingly; for example if the target is 1% and the maximum points to be scored are 5, and the Bidder's commitment is 0.5%, then only 2.5 points will be scored. If the percentage committed to by the Bidder is equal or more than the target, the full points will be scored. These commitments will become binding in the PPP Agreement. SANParks will confirm the scoring on the basis of supporting information provided, and may use an accredited B-BBEE rating agency for this purpose.
