Nationals of SADC countries that are part of a transfrontier agreement or treaty will have the same benefits as South African residents for park-specific daily conservation fee charges. For example, a Mozambique or Zimbabwe national visiting Kruger or a Botswana national visiting Kgalagadi, will pay a daily conservation fee equal to what South African nationals pay (instead of the fee other SADC nationals pay).

Members of SANParks' loyalty programme WILD do not pay conservation fees provided that proof of Identity and their WILD card are shown on arrival.
