

# Angrabies Falls National Park

SPECTACULAR SCENERY ON THE BANKS OF THE MIGHTY ORANGE RIVER.

- Augrabies Rest Camp
- Oranjekom Gorge Cottage

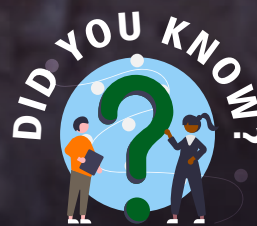

- Moonrock Viewing Area
- Augrabies Falls waterfall viewing deck
- Klipspringer Hiking Trail
- Orange River Rafting
- Catch & Release Fly Fishing

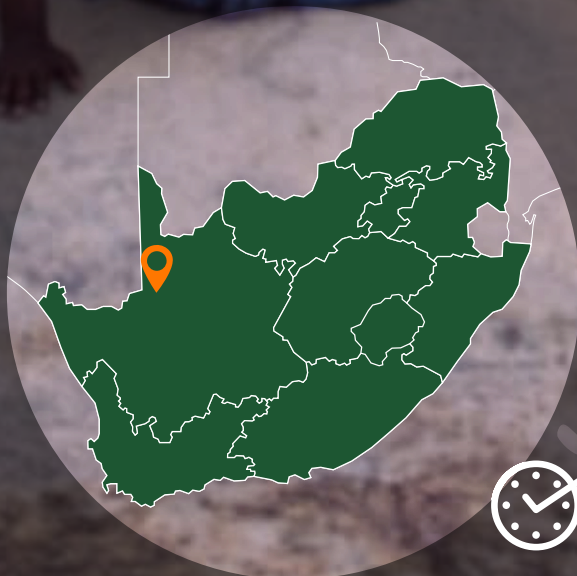

- Iconic Quiver trees
- Granite domes at Ararat & Moon Rock
- Stargazing beneath the clear night skies

- Picnic beneath the shaded areas
- Sounds of the plunging waterfall
- Limited internet connectivity & contact from the outside world

- The walkways around the waterfall can be slippery from mist & spray
- Day visitors are welcome to the park
- Malaria has historically been reported in the park, but is not very prevalent
- The Nama people are closely intertwined to the cultural heritage of the park

## BEST TIME TO VISIT

Wildflowers are prevalent Sept to Nov. Angrabies Falls is most impressive from Nov to April.
