

TENDER NOTICE AND INVITATION TO TENDER

TENDER NUMBER: CI-KH-0028/1

South African National Parks invites tenders for the PROVISION OF POTABLE WATER FOR TWEE RIVIEREN, NOSSOB AND MATA-MATA REST CAMPS, KGALAGADI TRANSFRONTIER PARK IN THE NORTHERN CAPE PROVINCE

Only tenderers who comply with the following are eligible to submit tenders:

- Have the required and valid CIDB grading stated
- Achieved the minimum score for Functionality
- Tenderer is not listed in the Register of Tender Defaulters and prohibited from doing business with the public sector.
- The tenderer has not abused the Employer's supply chain management system
- Failed to perform on any previous contract with the employer.

ELIGIBILITY

1) CIDB Grading

The following tenderers who are registered with the CIDB, or are capable of being so registered prior to the evaluation of submissions are eligible to submit tenders:

- contractors who have a contractor grading designation equal to or higher than a contractor grading designation determined in accordance with the sum tendered for **4ME** class of construction work; and Joint ventures are eligible to submit tenders provided that:
 1. every member of the joint venture is registered with the CIDB;
 2. the lead partner has a contractor grading designation in the **4ME** class of construction work; and
 3. the combined contractor grading designation calculated in accordance with the Construction Industry Development Regulations is equal to or higher than a contractor grading designation determined in accordance with the sum tendered for an **4ME** class of construction work.

2) Functionality Criteria:

Tenderers are required to demonstrate their ability to undertake the work and provide proof of experience in water treatment plant projects. Tenderers are required to score a minimum of **21 points out of a possible 30 points** in order to qualify for the tender.

Tenderers who fail to meet the minimum threshold shall be declared non-responsive and subsequently rejected. The onus rests with the tenderer to supply sufficient information to allow for the proper scoring, evaluation and award of points.

The functionality criteria and maximum score in respect of each of the criteria as follows:
