IMPORTANT - A MUST READ

You are entering a National Park containing potentially dangerous animals as well as noxious reptiles, insects and plants.
By entering this park you are voluntarily exposing yourself to risks and dangers usual for and associated with a game park.
Such risks and dangers include but are not limited to:

- Animals roam freely and may injure or kill you;
- The camps and/or other public areas are not always fenced and you may encounter dangerous animals in these areas;
- You could be exposed to natural and man-made elements and to rugged terrain, as well as criminal elements, any of which could be a risk to your safety
- You will be using man-made infrastructure and apparatus and while SANParks takes reasonable steps to maintain such apparatus and infrastructure, it may nevertheless be unsafe.

By entering this park you acknowledge and accept:

- The inherent risk of danger and injury, severe injury and /or death;
- That no amount of care, caution, instruction or expertise can eliminate the inherent risk and/or dangers;
- That you absolve SANParks of any and all liability.
