

TENDER NOTICE AND INVITATION TO TENDER TENDER NUMBER: CI-GK-0175

South African National Parks invites tenders for **THE THE INSTALLATION OF A GRID-TIED PV SOLAR PLANT FOR ADDO MAIN REST CAMP, ADDO ELEPHANT NATIONAL PARK.**

ELEGIBILITY

1. CIDB Grading

The following tenderers who are registered with the CIDB, or are capable of being so registered prior to the evaluation of submissions are eligible to submit tenders:

- Contractor who has a CIDB contractor grading designation of **6 EP / 6 EB** class of electrical or PV construction work or higher, and
- Joint ventures are eligible to submit tenders provided that:
 - (i) Every member of the joint venture is registered with the CIDB;
 - (ii) The lead partner has a contractor grading designation in the **6 EP / 6 EB** class of electrical or PV construction work or higher, or not lower than one level below the required grading designation in the class of construction works under consideration and possess the required recognition status, and
 - (iii) The combined contractor grading designation calculated in accordance with the Construction Industry Development Regulations is equal to or higher than a contractor grading designation determined in accordance with the sum tendered for a **6 EP / 6 EB** or a value determined in accordance with Regulation 25 (1B) of 25(7A) of the Construction Industry Development Regulations

2. Mandatory Requirements:

The following mandatory compliance for an Electrical Competent Person is required.

Electrical Competent Person:

It is required that at least one “project employed person” that form part of the workforce intended to construct, and or perform electrical works in whatever capacity needs to suitably qualified and comply with the following –

- Registration as Installation Electrician or Master Installation Electrician with the Department of Labour (DoL) in terms of Regulation 11 (2) of the Electrical Installation Regulations under the OHS Act of 1993.
- Proof of Registration of Electrical Contractor in terms of Regulation 6(4) of the Electrical Installation Regulations, valid for the period of construction.

3. Functionality Criteria:

As part of the eligibility criteria, tenderers shall further be required to satisfy the following functionality criteria and are required to demonstrate their ability to undertake the work and to provide proof of experience, expertise, personnel, plant, and equipment to undertake work of this nature.

Tenderers are required to score a minimum of **28 points out of a possible 40 points** (70%) in order to be responsive. Tenderers who fail to meet the minimum threshold shall be declared non-responsive and subsequently rejected. The onus rests with the tenderer to supply sufficient information to allow for the proper scoring, evaluation and award of points.

Where insufficient information is provided, zero points will be awarded for such criterion. The quality criteria and maximum score in respect of each of the criteria as follows -

The following functionality criteria apply:

No.	ITEM	POINTS
1.	Relevant Project Experience and Capability (items 1.1 to 1.2)	20
1.1	<p>Refences:</p> <ul style="list-style-type: none"> Provide favourable letters of reference from clients for the number of completed Solar PV installations exceeding a value of R5m (Five million Rand). For multiple projects done for the same client, list each of the projects that exceeds the threshold value. <p><u>Scoring:</u> Two (2) points each per reference letter, up to a maximum of ten (10) points.</p>	10
1.2	<p>Completed and ongoing Solar PV and Energy related projects:</p> <p>(i) Projects in progress: Provide copies of Letters of Appointment for all Solar PV and Renewable energy related projects in progress where the total implementation work undertaken, each exceeded a value of R5m (Five million rand) per installation, respectively.</p> <p>(ii) Completed projects: Provide copies of Appointment Letters and Completion Certificates for all Solar PV and Renewable energy related projects where the total implementation work undertaken, each exceeded a value of R5m (Five million rand) per installation respectively, which were completed <u>during the last 5 years</u>.</p> <p><u>Scoring</u> (add up the following):</p> <ul style="list-style-type: none"> Projects in Progress: (Letter of Appointment): Two (2) points each per Letter of Appointment, up to a maximum of four (4) points. [4] Projects Completed: (Letter of Appointment & Completion Certificate): Two (2) point each per Letter of appointment and Completion Certificate (same project), up to a maximum of 6 points. [6] 	10

No.	ITEM	POINTS
2.	Establishment & resources (item 2.1)	10
2.1	<p>Company in operation:</p> <ul style="list-style-type: none"> Number of years that the practice has been in operation. <p><u>Scoring:</u></p> <p>Two (2) point for every three (3) years, up to a maximum of ten (10) points.</p>	10
3.	Preliminary Programme (item 3.1)	10
3.1	<p>In order to demonstrate Project Management/Implementation experience on a typical Solar PV installation, the tenderer shall submit as part of the tender returnable documentation the following:</p> <ul style="list-style-type: none"> Typical program showing key dates and events, including the critical path, for the full implementation of a 630 kWp Solar PV system. <p><u>Scoring:</u></p> <p>Scoring is based on the level of detail presented on the documentation provided for each of the categories, which should demonstrate the level of experience.</p> <p>(i) Basic & generic Programme without detail & no clear timeframes – maximum two (2) points. [2]</p> <p>(ii) Programme including some solar plant installation elements & timeframes – maximum five (5) points. [5]</p> <p>(iii) Detailed Programme supporting solar plant installation experience showing all installation time frames and critical path – ten (10) points [10]</p>	10
TOTAL POINTS FOR FUNCTIONALITY:		40

Tenders scoring less than 28 points will not be further evaluated.

Tenderer to submit a list of past and current projects for functionality information. Information must clearly state project information and Contractor to submit “Letter of Award” for current projects, and “Letter of Award” together with Completion Certificates” for completed projects.

Functionality points will only be awarded on letter(s) submitted. Project details shall include telephone contact details of either the client and/or the engineer for the project.

PRICE AND SPECIFIC GOALS

The following price and preference point system is applicable to this tender:

The **80/20** system for requirements with a Rand value above equal to or above R 30,000 and up to R 50 million (all applicable taxes included).

Points for this bid shall be awarded as follows:

- (a) Price; and
- (b) Specific Goals

The maximum points for this bid are allocated as follows:

Price: 80
 Specific Goals: Preference Points: 20

Total Points for Price and Specific Goals must not exceed 100

SPECIFIC GOALS:

Preferential Procurement Regulations, 2022.

The following Specific Goals forms part of this tender -

THE SPECIFIC GOALS ALLOCATED POINTS IN TERMS OF THIS TENDER	Number of points allocated (80/20 system)
1) Percentage black ownership	
Persons historically disadvantaged on the basis of race with 100% black ownership, OR	12
Persons historically disadvantaged on the basis of race with 75% - 99% black ownership, OR	10
Persons historically disadvantaged on the basis of race with 60% - 74% black ownership, OR	8
Persons historically disadvantaged on the basis of race with 51% - 59% black ownership, OR	6
Persons historically disadvantaged on the basis of race with 0 – 50% black ownership,	4
2) Qualifying Small Enterprises	
Qualifying Small Enterprises (annual turn-over between R10 million & R50 million)	4
3) Locality	
To Qualify, the bidder must include verifiable proof of business address in the Easter Cape Province, older than two years.	4
TOTAL MAXIMUM POINTS CLAIMED BY THE SERVICE PROVIDER:	20

The following will be accepted as proof:

1) Black ownership

Bidders to submit valid B-BBEE certificate or sworn affidavit clearly indicating the percentage Black ownership

2) Exempted Micro or Qualifying Small Enterprises

Bidders to submit valid B-BBEE certificate or sworn affidavit clearly indicating the type of enterprise.

3) Locality

To qualify, the bidder must provide / include verifiable proof of business address in one of the criteria, older than 2 years:

- Rental/Lease agreement in the name of the bidding company to include rental/lease period (start & end date) with proof of payment for the month prior to closing of the tender,
- OR,
- Ownership of business premises – municipal / Eskom services account in the name of the bidding company to confirm 2-year business address.

NB: Bidders who are not located in the Eastern Cape Province, and who are not QSE's may still tender, but will not claim points for specific goals. Failure to provide the afore-mentioned documentation, will result in an allocation of zero points for specific goals.

The physical address for the collection of tender documents and the site clarification meeting are:

**The Interpretive Centre,
Addo Main Rest Camp,
ADDO ELEPHANT NATIONAL PARK**

[GPS Coordinates: S33°26'38.76" E25°44'44.96"]

Tender documents will ONLY be available at the compulsory site clarification meeting.

The tender document is issued at a non-refundable fee of **R300.00 CASH ONLY**.

The site and tender clarification meeting are **COMPULSORY**.

A compulsory clarification meeting with representatives of the Employer will take place at the **Interpretive Centre of the Addo Main Rest Camp situated in the Addo Elephant National Park** on **25 March 2025 at 11:00**.

Prospective tenderers who arrive later than 11h15 will not be allowed into the Clarification Meeting.

The Tenderers shall inspect and examine the Site and its surroundings and shall satisfy themselves before submitting their tender as to the form and nature of the Site, the quantities and nature of the work and materials necessary for the completion of the Works and the means of access of the Site, the accommodation they may require and in general shall themselves obtain all necessary information as to risk, contingencies and other circumstances which may influence or affect their tender.

The tenderers must be represented at the site inspection by a person who is suitably qualified and experienced to comprehend the implications of the work involved. Attendance of the site inspection is compulsory, and a tender will be disqualified if the site inspection is not attended by a representative of the tenderer.

Queries relating to the tender may be addressed to Mr Garret Kobe, Manager Supply Chain Management at (012) 426 5132; e-mail: Garret.Kobe@sanparks.org

The closing time for receipt of tenders is **11h00 on 11 April 2025**.

Tenders in sealed envelopes marked clearly with the identification details:

“Tender No CI-GK-0175: THE INSTALLATION OF A GRID TIED PV SOLAR PLANT FOR ADDO MAIN REST CAMP, ADDO ELEPHANT NATIONAL PARK,

must be deposited in the tender box at the **Reception: Addo Elephant National Park**, on or before the stated closing date and time.

The Tender Box is open during normal office hours from 08h00 till 16h00 Monday to Friday.

Tenders may only be submitted on the tender documentation issued.
