For this RFQ, the learning exchange is focused on how to build a positive relationship between a Protected Area Management Authority and its critical stakeholders.

This RFQ is approved by both SANParks and AFD in terms of the Procurement requirements of both institutions, and as such, this body of work is subject to meeting the Procurement requirements of both institutions.

2.1. Scope of Work

This project aims to promote 100 officially recognised trails for Table Mountain National Park (TMNP) in terms of safety, information and to guide visitors of the Table Mountain National Park (TMNP). These visitors include tourists visiting the park and a range of recreational users such as walkers, hikers, dog walkers, trail runners, horse-riders, swimmers, surf-ski, etc. The project seeks to improve trail safety through promoting designated safe trails in the TMNP Protected Area. This will be done through the collection, collation and sharing of relevant trail information though the AllTrails platform.

AllTrails is a fitness and travel mobile app used in outdoor recreational activities. This app is commonly used for outdoor activities such as hiking, mountain biking, climbing and snow sports. The service allows users of the app to access a database of trail maps, which includes crowdsourced reviews and images.
