**Original Advertisement Date:** 27 March 2026

### Notice to Bidders

#### 1 PURPOSE OF THIS ADDENDUM

The purpose of this addendum is to notify all prospective bidders of a technical correction made to the Pricing Schedule and a subsequent extension of the tender closing date.

#### 2 AMENDMENTS TO PRICING SCHEDULE

##### 2.1 Correction of Formula Error:

It was brought to our attention that a calculation error existed in the original Pricing Spreadsheet. Specifically, on Tab 1J, Cell J46, the formula was duplicating values, resulting in an incorrect total

##### 2.2 Publication of Revised Pricing Schedule:

The formula has been corrected to ensure accuracy. Bidders are instructed to discard the previous version and utilize the Revised Pricing Spreadsheet (Version 2), which has been published on the SANParks website ([www.sanparks.org](http://www.sanparks.org)) under the relevant tender heading

**Note:** Failure to use the corrected pricing template may lead to the bid being declared non-responsive if the totals cannot be verified.
