AMENDMENTS

SANParks has resolved to amend the Request for Proposals for all the abovementioned six investment opportunities for Public Private Partnerships by deleting in their entirety the following sections therefrom:

"4.10. Non-eligible Persons

4.10.3 who is initiating or has initiated any litigation, arbitration or other administrative proceedings in respect of any of the six (6) Concessions for the tender."

…..

"*24.5 Special Purpose Vehicle Membership information*

24.5.2 A letter confirming that the Bidder and each of its members has irrevocably waived any right it may have to seek and obtain a writ of injunction or prohibition or restraining order against SANParks to prevent or restrain the Tender or any proceedings related to it. However, such waiver shall be without prejudice to the right of a disqualified or losing Bidder to question the lawfulness of their disqualification or the rejection of its Bid by appropriate administrative or judicial processes not involving the issuance of a writ or injunction or prohibition or restraining order."

No Bid will be rejected or disqualified, and no Bidder will be prejudiced in the evaluation of its Bid, because the Bidder or any person involved in the Bid (a) is initiating or has initiated litigation, arbitration or other proceedings in respect of any of the six Concessions or this tender, whether before or after the date of this Erratum, or (b) has not furnished the letter previously required by paragraph 24.5.2 of Annexure 1B. Any such letter already furnished is of no effect and SANParks will not rely on it. A Bid is not incomplete for the purposes of paragraph 15 because it omits that letter.

The indicative timetable in paragraph 21.2 of the Revised Requests for Proposals is replaced by the Revised Project Timetable published in September 2026. Tender submissions close on 13 November 2026.

The words “as included in the Residual Value” in paragraph 8.3.4.6 of Annexure A to the Revised Information Memoranda are deleted.

Save as set out in this Erratum, the Revised Requests for Proposals, the Revised Information Memoranda, Erratum 1 and the Revised Project Timetable remain unchanged.
